Kolekce mís Crystal je inspirována tvarem krystalů, jejichž jednotlivé střípky společně tvoří krásné a elegantní přírodní dílo. Stejného efektu jsme se snažili dosáhnout i my při tvorbě této kolekce.

Skleněné dekorační mísy jsou dodávány samostatně či v setu spolu s držákem na potravinové ubrousky. V interiéru působí velmi esteticky a tvoří výrazný a elegantní prvek veřejných i soukromých prostor.

Kolekce mís Oriental, je inspirována japonským minimalismem. Na základě tohoto stylu jsme vytvořili mísy, které zaujmou svou střízlivou a přesto nápaditou kompozicí barev a tvarů.
